Donations by Email money transfer

To set up a money transfer:

Go to your banking app. and select Interac Transfers

Select the account to withdraw money from and $amount

Add the email of recipient: stpaulsunited@execulink.com

You don't need to add a security question as St. Paul's is setup for Interact e-transfer Autodeposit.

We will be notified by email when you make a transfer. You can specify in the comments section where you would like the funds to be designated to Local, M&S, Christmas ect.

Each bank method varies slightly.

There may be a charge depending on your bank – they will inform you before you make the transfer.
